

Privacy Statement

This statement relates to Orangeye's privacy practices in connection with this website. By using this website, you accept the practices described in this statement. Orangeye reserves the right to amend this statement at any future date and will publish any changes here.

This website contains links to other sites. Orangeye is not responsible for the content or privacy standards of other websites. We encourage you to be aware of this when you leave our site and recommend that you review the privacy statement of any website accessed through this site as these websites may be subject to different privacy practices. This privacy statement relates only to the privacy practices in connection with Orangeye's website www.fantaflavourbattle.com

General Statement

Orangeye fully respects your right to privacy, and will not collect any personal data about you through this website that you do not give voluntarily. Any personal data volunteered will be treated in confidence applying reasonable standards of security, in accordance with the Data Protection Acts, 1988 & 2003.

Collection and Use of Personal Information

Orangeye does not collect any personal data about you on this website, apart from information which you volunteer (Name, Email address, phone number, and product choice). Any information which you provide will be used by Orangeye, Media Central and Coca-Cola only for the purpose of competition entry.

Your data will be retained for a maximum of 3 months and securely removed from our servers.

Collection and Use of Technical Information

Technical details in connection with visits to this website are logged in the website log files for statistical purposes. No information is collected that could be used by us to identify website visitors. The technical details logged may include the following items:

- The top level domain name used (e.g. '.ie', '.com')
- The IP address of the computer from which you access the website
- The date and time each computer accesses the website
- The previous website address from which the visitor reached us, including any search terms used
- The type and version of web browser used to access the website
- Keywords used in search engines to find our website
- The addresses of websites which refer visitors to our website
